Re: 2008 Region 1 Championships in Reno, Nevada.

To Region 1 Coaches, Gym Owners, Gymnasts, Parents, and Judging Community:

Please read this and consider it part of the Hotel information.

1. Attached is the Hotel information for this year's Regional Championships. I will send it on to our webmaster to put it on our Championship website (<http://www.mensregion1championships.com/>), I will send it to the webmaster of the Region 1 website (<http://region1gymnastics.com/>), and last, I will put it on my little page (<http://baldwin.roger.googlepages.com/>). Is that enough distribution, or what?
2. The Meet Directors will be Roger and Debbie Baldwin and the Assistant Meet Director will be Tim Klemnauer.
3. The event will be held in Reno, Nevada on April 2-6, 2008 .
4. We have a wonderful venue for the competition; it is physically connected to one of the most beautiful hotel/casinos in Reno, parking is free, shuttle from the airport is free, and they have waived the "resort fee".
5. We have secured a large room block at a great price (\$89), and as in years past, we need all of your help to support our hotel room block.
6. Debbie is working up a total hotel package which includes excursions and other things to do in Reno.
7. If you have trouble with either the online or phone reservations, be sure and call me. (775-815-9228)
8. Some of you are fairly certain that you are going and getting your rooms now is a good idea. If we overbook the room block, call me so I can get more rooms.
9. I believe "ALL THINGS" considered, we got the very best deal for our region, so I want to once again strongly request that you use our hotel.
10. It is very important that this document is available to every parent in our region. I will give it my widest distribution. If you receive it, please pass a copy on to all of the parents you know in our region.
11. Parents, if you did not receive a copy of this from me directly, you can write to me at the email address below. Send me your name, child's name, gym, coach and email address, and I will attempt to keep you in the loop every step of the way.
