

2021 USAG Men's Region 1 Championships

Hosted by Go for It USA

Region 1 coaches and athletes,

The Region 1 Board is excited to announce that the 2021 USAG Men's Region 1 Championships will have an in-person option for Levels 7D1- Level 10 (and a waiting list for Level 6D1) in Las Vegas, NV at the Cox Pavilion at UNLV, April 16th - 18th, 2021. We are very thankful that Go for It USA was able to secure a venue that gives us an opportunity for an in-person Region 1 Championships. All athletes in Region 1 are qualified to compete in the 2021 Virtual or In-person Championships.

All Region 1 Championships eligible gymnasts (Level 5D1, 6D1, 7D1, JD1, 8, 9, 10) that cannot travel or are uncomfortable travelling due to their state or counties COVID mandates will be able to register for the 2021 USAG Men's Region 1 Virtual Championships. Athletes (Level 8 (11-12), Level 9 (13-14) and all Level 10's) wishing to qualify to 2021 Development National Championships must compete at the in-person Region 1 Championships in Las Vegas, NV.

Registration will be through the USAG Meet Reservation System for both in-person and virtual options. Registration will be open for both competitions between March 15th and March 28th. The registration fee for in-person is \$150 for non-Tech Sequence gymnasts and \$175 for Tech Sequence gymnasts. Registration checks will be made out to Go for It USA and sent directly to the host of the competition. Final registration information will be sent Friday, March 26th. Please be sure that you register for the correct sanction. If you are unsure which sanction you are signing up for, please reach out to your state chairman or Clay Baimbridge (blueclaydo@gmail.com). All Level 5D1's should be registered in the virtual sanction.

Tentative schedule for in-person Region 1 Championships: April 16th-18th, 2021
All sessions will be Modified Capitol Cup format.
